Reliant requires a minimum of three (3) business days to process service start or stop requests. I understand that the following information is required to begin the enrollment process with Reliant Energy Retail Services, LLC (Reliant). I agree to be enrolled on the BMF Monthly Flex Plan for Business with an energy charge of 12.7¢ per kWh. I understand that the average price per/kWh is 14.4¢ for 50 0 kWh/month, 13.7¢ for 1,000 kWh/month, and 13.3¢ for 2,000 kWh/month. There is a \$6.95 monthly base charge, \$0 per month, and 0.0739¢ per kWh TDSP Surcharge. There is no minimum term, no switching fee, and no penalty for early cancellation. This is a variable price plan, which means your energy consumption charge may either increase or decrease based on market conditions without prior notice to you. After your first bill, your price may change from month to month without notice. The energy consumption charge will be established on the first day of each month. You will be billed at the energy consumption charge in effect on your meter read start date plus the base charge and demand charge.

For a Priority Move In, you must complete your enrollment request by 4:30 p.m. a minimum of one business day prior to requested date of service. Requests received after this time cannot be processed due to Transmission and Distribution Provider guidelines. Permit/inspection requirements must be completed prior to request. By checking the box for priority move in request(s), you are accepting the associated charges as determined by Oncor. Oncor does not guarantee priority meter move in requests and you will only be charged if the move in is completed same day or next day.

Authorization: By signing below, (i) I certify that I am at least eighteen (18) years of age and legally authorized by all necessary action to act on behalf of customer to select Reliant Energy Retail Services, LLC (Reliant) as retail electric provider for the account(s) identified and perform the tasks necessary to complete the enrollment; (ii) Customer understands that complete Terms of Service will be sent to the customer's specified mailing address.
